- Decision Making

Projects

- **A Study on Measuring the Effectiveness of Online Shopping among MCAS Students**
Online shopping is becoming quite popular due to its relative convenience and reasonable price of goods and services available online. The study entails to determine the online shopping behaviour. Moreover, it aims to know the reasons why people shop online rather than at stores and what items they buy. Thus, it also aims to determine which shopping sites they buy items they need. In Addition, it aims to determine the factor rival to online shopping, the problem they encounter and to know the spending habit of the people.
